

Serve Team Report

November 20, 2013

There is a lot going on with the Serve Team.

1. Warm Nights is this week, November 17-25th. ASLC is hosting 15 single males, 5 single females and 3 families, 2 with infants, 1 with 5 children.
2. A coat drive is being held through December.
3. A collection of blankets and sleeping bags for the homeless in camps in the county.
4. Donations for Gifts of Hope will begin on Dec. 1.
5. There will be a collection of Christmas gifts for the children of our Food Pantry clients. Gifts for teens are especially needed.
6. Pacific Typhoon relief for Haiyan victims in the Philippines is ongoing.
7. Pastor and Liz Muller accompanied Donny Phillips of CCSI on a visit of homeless camps in the county and delivered some blankets and sleeping blankets. Donny tries to visit homeless camps every two weeks. Liz is hoping to accompany him at least once a month, and would like to recruit a few more Saints to do this on a regular basis. This would be an expansion of the homeless ministry.
