

# Worship and Music Report April 2015

---

April 15, 2015

There are two main events in this report. Please encourage members of the congregation to participate in the liturgy of our service by volunteering for one of the positions listed below.

**Appreciation & Training Event** — Sunday, April 26, following the second service, we will honor everyone who has served in one of these roles during the past year: acolyte, altar guild, assisting minister, cantor, communion assistant, crucifer, greeter, lector, and usher. Lunch will be provided. Following lunch, there will be a short training/Q & A session for each of the roles. Everyone who has served or who is interested in learning about these roles is encouraged to attend. Watch for an announcement/reminder in the Sunday worship booklets.

Also encourage members of the congregation, who may be interested in the planning of our worship and music activities, to come to our next meeting. We are always interested in fresh thoughts that might impact the dynamic service we currently have.

**Worship & Music Team Meeting** — The next meeting will be held on Saturday morning, May 16, at the home of Louise Waynant. Breakfast will be available starting at 9 am with the meeting scheduled from 9:30 am to noon. Mark your calendars now. Watch for an announcement/reminder and directions to Louise's home in the Sunday worship booklets. Everyone is welcome!

Respectfully submitted.  
Raymond Wood
